G.W. Exotic Animal Memorial Park

Route 2, Box 67

Wynnewood, OK

73098

(405) 665-5197

<http://www.gwpark.org>

7 days a week, from 10:00 a.m. to 7:00 p.m.

G.W. Exotic Animal Memorial Park was established in 1999 as a non-profit, no-kill sanctuary for abused and abandoned wildlife. The 16-acre facility houses exotic creatures such as tigers, lions, panthers, mountain lions, bears, monkeys, camels and reptiles, as well as not-so-exotic deer, goats, foxes, raccoons, emus and many more. Unlike most zoos, the Park offers visitors the rare opportunity to get "up close and personal" with the animals. If you're lucky, you might even get to pet a tiger! Your 100% tax-deductible donation or corporate sponsorship will help us care for the more than 1,000 residents of the Park, as well as fund the construction of new habitats for those on our waiting list. The Park hosts safari campouts, cookouts, birthday parties and other special events—complete with picnic tables and a playground—for small and large groups. Call us for pricing and reservations. G.W. Exotic Animal Park is located near Wynnewood, Oklahoma, just 45 minutes south of Oklahoma City on Interstate 35. Take Exit 64 and go east two blocks. We are open seven days a week from 10 a.m. to 7 p.m. Admission consists of a \$5 donation per person; children four years and under are free.

"Some of the dogs have comments written about them such as "Housebroken" or "Good with Children." A lack of comments does not necessarily mean they aren't - we just don't know. Since we rescue at shelters, we have very little information about most of our pets. For this reason, we offer a 7-day foster adopt program. Take any pet home for up to 7 days and if it doesn't work out, receive a full refund of the adoption fee. Up to 30 days, the pet may be exchanged at no additional cost."

Information on these animals and many more is available at the Pets And People website. More than 13,000 saved since 1992... Pets & People Humane Society is a non-profit humane society run by volunteers that rescues dogs, cats, puppies, and kittens from 19 municipal animal shelters across the State of Oklahoma on the day they are to be euthanized. Over 150 pets to choose from - mixed breeds, purebreds, large, and small. To see our pets, come see us at our beautiful new shelter, meet us at week-end PetsMart Adoption Fairs, or log onto our web site and view our "Adoptable Pets Photo Gallery". To insure that you and your cat or dog are a perfect match, we offer a unique no-risk Seven Day Foster Adopt Plan - try a pet out for up to a week- we don't cash your check during this trial period.
