The Cattery houses approx. 100 cats.

It has a large fenced-in play area and a separate area for kittens.

Close up of the Main Kennel

The Main Kennels house approx. 150 dogs They have continuous-supply feeders and spacious runs with indoor /outdoor areas.

Close up of the outdoor play area at Cattery.

The office with an outdoor kennel. The dogs chosen to stay in this area are much older and have spent most of their lives at Free to Live. They are considered special needs animals.

This is the isolation kennel for dogs who have just arrived or those that have recently been spayed or neutered and are awaiting removal of their stitches. It is also for puppies, pregnant moms, or dogs with chronic illness or other special needs. The dog isolation area houses 25-30 dogs, all with indoor and outdoor areas.
