Free To Live Auction -- October 17, 2010

It's getting close to our annual auction and we have some big changes in store this year. We will have dinner entertainment by Guitarist Extraordinaire - Edgar Cruz and we will have some really great items for both silent and live auctions. One of which is a one week stay at this house in Taos N.M. which sleeps up to 8 people, has a hot tub, fireplace, great hiking, great restaurants and snow skiing nearby. Look for more updates to come here and in our events area.

This is a shot of the house

in the winter.

We need volunteers to help get auction items and help the day of the auction. If you are interested in helping, please [click here](#) for a volunteer form or contact our office.

At our auction, we sell new items and services that are donated. Items like artwork, gift certificates for services to people and animals, certificates to restaurants, home furnishings, sports items and many others. If you are an artist, vendor, donor-philanthropist or business person and would like to donate an item for us to sell, we would love the donation. Please contact our office for more information. We need items by mid-September so we have time to get them in our program and website.

The fifth annual Oak Tree Golf Tournament

was a great success. Thanks to all of the great golfers who came out in the Oklahoma heat and had some fun for our animals' benefit.

A special thanks to Silvia Carballo and her team of great volunteers who once again pulled together a fun event!

Celebrate for Free To Live

Children and adults in our community are helping the animals at Free To Live in many ways. See some of the happy faces that have delivered wonderful gifts to our animals.

A special "THANK YOU" to the many federal employees who are contributing to Free To Live through the Community Fundraising Campaign.

Percentage of annual contributions Free To Live uses for fundraising is 2.9%. To designate Free To Live as the recipient, simply enter CFC Number 57388.

Sponsor a Special Needs Dog or Cat - We have several animals that, due to health or behavior problems, will probably not be adopted. Since we are a true no-kill facility, these animals will live out their natural lives with us and be treated as one of our family here at Free To Live. Please look over these wonderful dogs and cats and consider sponsoring a special needs pet.
